Information

* Tuk Tuks are also widely available around Khao Takiab and in Hua Hin, but they tend to be over priced for tourists, often charging around 200 - 250 baht for the short 10 minute ride. Just tell them to bring you to Khao Ta Kiab pier, or show the map on the voucher.

There are also plenty of motorcycle taxis. The rate to or from Hua Hin for these should be around 100 baht.
